## *Experience*

### Full-Stack Web Development Apprentice January to July 2017

Sparkbox | Dayton, Ohio ← Sparkbox was recently featured in Forbes

A six-month full-stack apprenticeship designed for individuals who are excited to make their mark on the web industry by building beautiful, responsive, standards-compliant web sites and apps. Apprenticeship curriculum included exploring the agile process, working with node.js in terminal (CLI) and GitHub, and advancing skills in responsive development, TDD, JavaScript, Sass, CSS3 and HTML5.

### Associate Front-End Developer 2015 to 2016

LexisNexis | Dayton, Ohio

Teamed up with a group of producers to develop a network of training & support websites. Actively collaborated with project managers, design specialists, and subject matter experts in developing global training materials.

### E-book Programmer 2014 to 2015

Greyden Press, LLC | Dayton, Ohio

Created ebooks in MOBI and EPUB formats and acted as lead Prepress Specialist including typesetting, book cover illustration, book design, and standard prepress for digital printing.

### Web and Video Graphic Designer 2013 to 2014

Wholesale Marine, LLC | Cincinnati, Ohio

A seasonal entry-level position at a small family-owned wholesaler. Delivered design for ecommerce, HTML email using MailChimp, technical writing, video production, motion graphics, advertising, product listings, and graphic design campaigns for web.

### Student Shopkeep 2008 to 2012

Bill's Art Store & Gallery | Oxford, Ohio

Trained in becoming a community resource by leading workshops, maintaining a gallery, and assisting artists. Cultivated skill in efficient learning, effective teaching, and developed extensive generalist knowledge in the areas of technology, hand media, and design.

## *Volunteer*

### Teaching Assistant - Intro to Programming Concepts 2017

Girl Develop It | Dayton, Ohio

Girl Develop It is a nonprofit organization that provides affordable programs for women interested in learning web and software development in a judgment-free environment.
